

13 May 2007

Hello all

I hope that those who are mothers had a great day today.

We got off to a great start with Speechcraft this past week with guests at both meetings.

Speechcraft manuals were distributed to those in attendance and we discussed the important of good speaking skills and did some Table Topics.

This week's session will include 2-3 minute Ice Breakers from all participants, so those of you who weren't at the meeting....this is your notice (sorry it's late). Basically it's an extended Table Topic about something you know very well....yourself! Oh yes, and you will have a chance to do a Table Topic as well.

I have additional manuals for those who weren't in attendance last week. I am looking forward to this week's session!

Next week participants will be learning how to introduce a speaker, give a speech and evaluate speakers.

I hope to be able to link people up in groups of two or three for this meeting.

Our final session will include a presentation of certificates to all participants.

Hope to see you all at this week's meetings!

Fran
